HIGH QUALITY, HIGH PRECISION

From design, engineering, manufacturing, testing, and quality control, we're a one-stop shop. All our products are subjected to batteries of tests throughout our process to ensure everything we make adheres to strict high-precision manufacturing protocols.

STEEL PARTITION ACCESSORIES

A14

MODEL NO: P-PT-WB

Full-size van partition window conversion kit.

3 acrylic window add-ons for full-size van partition. Completely seals air-hole vents on panel. Reduces noise and allows better temperature control in cabin.

A15

MODEL NO: P-PT-DK

Full-size van partition swinging door conversion kit.

Converts the center panel of a full-size van partition into a swinging door. Kit comes with hinges, door handle, lock, key, and sound dampening foam.

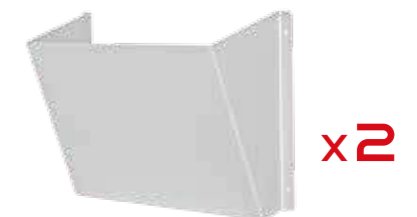

A16

MODEL NO: P-SH-HTK

Mountable hanging tote kit organizer for van, shelf, or partitions. Comes with 3 storage containers.

A17

MODEL NO: P-SH-HFH-13

Hanging file folder. Fits on partition storage units and van shelves.

VAN SHELVEING STORAGE

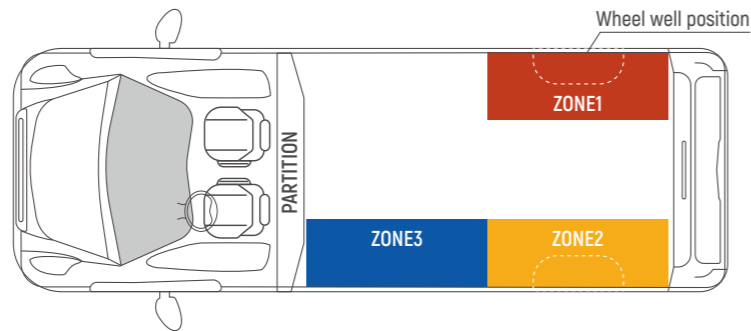

AA VAN SHELVEING SERIES

Maximize your space with our van shelving storage options! Durable and heavy-duty, each shelf is manufactured from steel and made to fit perfectly inside the specified vehicle. Adjustable shelves allow for flexible storage options. All units come complete with all hardware needed for a quick and easy installation process. Gray powder coating provides environmental protection for long-lasting performance.

STORAGE ZONES

Below is a comprehensive list of our van shelves. Please use our installation guide to the right when planning your layout. >>>

Shelves highlighted "■" are not recommended for that particular zone. Please consider an alternative placement.
